

Student Life is the Student Ministry of Agapé, which is the European ministry of Campus Crusade for Christ (Cru).

We're all about Jesus' Great Commission: Jesus drew near and said to them, "I have been given all authority in heaven and on earth. Go, then, to all peoples everywhere and make them my disciples: baptise them in the name of the Father, the Son, and the Holy Spirit, and teach them to obey everything I have commanded you. And I will be with you always, to the end of the age." Matthew 28:18-20 GNB

We want to help people:

Explore Jesus, **grow** in their faith and **serve** him with their life.

People need both to hear about Jesus and experience him through community and friendship. Those who respond to him need people to share their life with as they work out how to follow him, and they need role models and lots of help to learn to serve him and to reach out to others.

Get involved

We love to partner with other Christians in God's mission. There are a number of ways you can be involved:

- Prayer support. We send regular prayer letters to keep you informed.
- Financial support. We are reliant on the generous giving of faithful Christians.
- Partnership opportunities.

Do get in touch if you would like to know more about our work or get involved.

Student Life in Newcastle

Making Friends, Eating Food, Talking Life

www.facebook.com/groups/studentlifnewcastle

We have a lot of fun, and at the heart of it all is building deep friendships and sharing our lives with each other

The traditional approach of student ministries has been two-fold: to gather Christians and train them in evangelism, and to put on outreach events. We have found that Christians are often reluctant to put their evangelism training into practice and non-Christians are often unwilling to come to Christian events. Because of this, we're trying something rather different.

At Northumbria and Newcastle Universities we're building a community of people from all sorts of different backgrounds who meet together to eat, to build friendships and to explore the big questions of life.

Food4Thought

A weekly lunchtime discussion group

“I’ve gained the confidence to explore Christ more and share that with others, which I’ve found difficult in the past.”

Weekly Hub

Exploring the theme of identity

“There’s an intrinsic trust that you don’t need to ask or demand, you can just expect it.”

We have Christians, Muslims, Hindus, people of other faiths, people from the LGBT group, British Students, International Students and people who aren't students at all but who love to hang around with us.

We're a Student Union society at both universities and run all sorts of different things on campus to serve people at different places on their spiritual journey. That includes: Socials, a weekly meeting with food, discussion groups, partnership events with other societies, Bible studies for Christians and non-Christians, training events, conferences, humanitarian aid projects and mission projects.

Student Life showcase

Sarah sharing her story of faith

“When I’m in the Student Life community I feel safe. I can be my complete self rather than parts of myself. I don’t have to hide anything. It’s being part of a family really.”

Metro Challenge

One of the programme of Freshers' week socials
